

Hello PROBUS Members,

We think you will agree that “we are living in interesting times”!

The source of the quote may have been lost in antiquity, but the impact of these “interesting times” is being felt by us all.

Some of you have asked again... “Will Cara-Campers be held”?

In response... “Yes, it will... **just not this year**”!

Regretfully, we have decided to postpone Cara-Campers until April next year. Hopefully, by then, we will all be able to visit Mudgee with the number of people that we expect.

At the moment, forty six (46) of us still plan to attend Cara-Campers 2020 in October.

To simplify matters, Mudgee BIG4 Holiday Park management will transfer all our bookings, as they are today, from our old arrival and departure dates in October 2020 to new dates in April 2021.

If you still want to attend, on the new dates in April 2021, you don’t need to do anything.

However, if you decide you would rather not attend Cara-Campers at the new time, please contact Mudgee BIG4 Holiday Park to cancel your booking, (and please let us know as well).

In the meantime, Petah and I will continue to talk with the people representing the various Mudgee Region businesses and venues we had planned to visit. Without exception, they are all eager to have us join them and do so in compliance with the then current COVID-19 guidelines.

So Cara-Campers 2020 becomes Cara-Campers 2021 to be held on April 15-20.

We look forward to the Friendship, Fellowship and Fun of Cara-Campers in Mudgee.

Petah and Phil Dodd.
