

It is time. . . .

*It is time to book an outing for us all that I don't have to cancel!!!
It is time for us all to get together and enjoy a day in the country!!
It is time to at last meet those incredible Clydesdale horses. . .!!!!
It is time to support a little country bowling club, who will do lunch!!!
It is time to help Sid Fogg Coaches get back to doing Probus Outings!!!
And it is definitely time. . .
For me to show my fellow members that I really can organise an
outing that we will all enjoy!!!!*

So. . .

Come with me on FRIDAY 27th NOVEMBER when we can now travel by coach with no restrictions to Bulahdelah with Sidd Fogg, to the new home of the Clydesdale horses for a 2 hour wonderful experience then go onto the local Bowling Club, who will do lunch for us whilst complying with all Covid restrictions, then travel back home again to our pick up point at Nelson Bay Bowling Club. The Cost per person will be \$70.

***But.** ♦I need to have your expressions of interest before 19th October so I can make the bookings with the coach company, the Clydesdales and the Bowling Club, because I don't want to see their disappointment if I have to cancel again!!!
We need to have 40 members commit to this outing to make it viable
So please ring me on 0419 801 121 or send me an email to fran@distance.com.au and if I have the numbers I will then make all the arrangements for us to enjoy a wonderful day in the country together again.*

*Sincerely,
Fran*
